

# Agro-Jet 980 Pro

## High-Performance 4-Stroke Knapsack Power Sprayer

Revolutionize your farming efficiency with the **Agro-Jet 980 Pro**. Engineered for professional farmers and garden enthusiasts, this power sprayer combines a heavy-duty 35cc 4-stroke petrol engine with an ergonomic design to deliver unmatched spraying precision and comfort.

### KEY FEATURES & BENEFITS

#### Powerful 35cc 4-Stroke Engine

Enjoy the reliability of a dedicated 4-stroke engine—no more mixing oil and petrol. It offers higher fuel efficiency, lower noise levels, and reduced emissions compared to 2-stroke models.

#### High-Capacity 20-Liter Tank

Designed for large-scale operations, the durable, UV-stabilized tank minimizes refill frequency, allowing you to cover more ground in less time.

#### Precision Pressure Control

Delivers a strong and steady spray pattern, essential for the uniform application of pesticides, fertilizers, and herbicides.

#### Ergonomic Knapsack Design

Features padded shoulder straps and a ventilated backrest to reduce operator fatigue during extended use.

#### Built to Last

Constructed with high-grade, corrosion-resistant materials and a reinforced brass pump assembly for long-term durability in harsh agricultural environments.

#### Effortless Start & Operation

Equipped with an easy-start recoil system and a smooth throttle response for seamless operation by anyone.
